

MORGAN COUNTY ASSOCIATION OF REALTORS®

COLLABORATION TODAY, SUCCESS TOMORROW

WELCOME!

Welcome to the May edition of the Morgan County Association of Realtors® monthly newsletter. Our goal is to keep members informed, connected, and engaged with association news, upcoming events, and important updates throughout the year.

A MESSAGE FROM THE PRESIDENT

Hello MCAOR Members!

Spring market season is in full swing, and we are excited about everything happening around our Association this month! May is always a busy and exciting time for REALTORS®, and we are grateful for the dedication, professionalism, and service each of you brings to our community every day.

Awards Luncheon— May 21st

One of the highlights of the month is our upcoming MCAOR Awards Luncheon on May 21st! This is always a special time where we come together to celebrate the accomplishments, hard work, and success of our members.

Fun REALTOR® Reminder

Did you know the average REALTOR®:

- Drinks coffee like it's a competitive sport
- Can unlock a house faster than most people unlock their phones
- Has mastered the art of smiling through a 17th showing
- And somehow still answers calls after 8 PM!

We appreciate everything you do to serve clients and represent our profession so well.

Stay Involved

Your Association continues working hard to provide education, advocacy, networking, and support for our members. We encourage everyone to stay involved, attend events, and continue building strong relationships within our REALTOR® family.

The strength of MCAOR is its members, and we are proud to serve alongside each of you. We look forward to seeing everyone at the Awards Luncheon on May 21st!

Thank you for all you do for our profession and our community.

Philip Wright

President, MCAOR 2026
